

Transformation Time

Channeling by John F. Schulte

Sunday March 7, 2010 7:00 PM

At Southern NH Reiki Center, just off Route 101 in Bedford, NH

--Including an incredible bonus--

An Introductory Experience of

The Planetary Alignment Soul SynchronizationSM Process

John's channeling is more powerful, transformational, and focused than ever before... Prepare yourself to receive the experience your own Higher Self most wishes you to have in this moment: **Expanding Awareness...Transforming into Empowerment.**

Our focus tonight is: **Moving Beyond Struggle into Joy.** John will channel the Master(s) most suited to this topic & this group in this moment. We will be receiving teachings and techniques, suggestions and support to aid us in transforming our struggles into strength and, eventually, into joy. During this gathering we will also do transformational work together to shift those patterns we are ready to transcend.

To receive the greatest benefit from this event, please arrive with at least one specific intention for your own personal healing/transformation/evolution/empowerment. Questions on topic during the flow are encouraged. Questions off topic or of a purely personal nature may be fielded, but only if time and energy permit and only at the very end of the channeling (just prior to tonight's special closing experiences).

Our Bonus: Our evening will close with the group receiving two Sessions from John's new Planetary Alignment Soul SynchronizationSM Process (the PASS Process)—the Initialization and Grounding Session followed by the Moon PASSSM Session in conjunction with the Full Moon on Feb 28 . These potent Sound Based Sessions will each harmonize your energy field, realign you in relation to Our Earth's current Ascension energies, and synchronize you more fully with your Soul Essence to express more YOU.

You will leave this event transformed.

Special First-Time-at-Beth's-Space Price \$33.00 (Regular Price \$44.00)

- Private Channeling and Combination Sessions will also be available at the space on March 7.
- Pre-registration required for the group. Pre-payment required unless agreed otherwise.
